

MOTUL*fluid force*

4-Stroke

8100 X-CLEAN 5W40

1 00% Synthetic Gasoline & Diesel lubricant for EURO IV engines

ACEA: A3/B4/C3

API: SM/CF

Approvals: BMW LL04, MB 229.31, Porsche, VW502.00-505.00

Recommendations: Renault/Nissan-Fiat-Kia-Suzuki-Ssangyong...

Lubricant specially designed for last generation cars, powered by turbo Diesel direct injection or gasoline engines, EURO IV emission regulation compliant, requiring an ACEA C3 engine oil, high HTHS(>3.5mPas.s) viscosity and "Mid SAPS" with reduced content of sulphated ash (=0.8%), phosphorus (0.07=x=0.09%) and sulphur (=0.3%).

Suitable for any type of Diesel or gasoline engines calling for ACEA A3/B3 or A3/B4 lubricants.

ACEA C3 lubricants achieve extended drain intervals managed by vehicles computer on board.

SPECIFICATIONS

Product

8100 X-CLEAN

Feature

100% synthetic.

SAE/DOT Standard

5W40

Specification

ACEA: A3/B4/C3 API: SM/CF

Maker's Approval

BMW LL04, MB229.31, Porsche, VW502.00-505.00

Compatibility

Gasoline & Diesel lubricant for Euro IV engines.
